Penslar Asthma Remedy

Is not offered as, or claimed to be, a cure. No one could compound a cure that would fit many cases—for asthma is due to many different conditions and usually it takes a most expert physician to determine the cause.

But we do claim that it will give you quick and harmless relief and render your breathing easy and normal again. It ought to be worth a good deal to you to know that you have such a remedy at hand. A 50 cent box contains enough for many treatments. The formula is on the package of course. That is the Penslar way of doing things—no secrecy, no exaggerated claims—but on the contrary, you can read on the label just what each remedy contains, and a frank and truthful statement of what may be expected from its use.

Sparks' Famous Shows Headed This Way.

On last Wednesday Mr. F. M. Ileson General Advance Representative for the Sparks Shows was in town making contracts and paying the way for the coming of the big circus. Immense quantities of provisions of all kinds will be contracted for from our local merchants, and the grounds known as the Base Ball Park has been leased for September 6th, which is the date the big show will exhibit here.

From now until show day hardly a day will pass but what one or more agents of the circus will be in town looking after details, promoting public interest and thoroughly advertising through the surrounding country. This circus employs over 50 people in the department of publicity alone.

Our people will doubtless turn out en masse if the weather is at all favorable, for it is positively known that this show gives a street parade one mile long. Other advertised exhibitions of this nature have not been giving street parades in years.

Protracted Meeting at Speedwell.

The protracted meeting at Speedwell Christian church will begin Saturday night, August 30. The pastor, Eld. Elbert Winkler, will be assisted by Eld. Z. Pall. The public is most cordially invited to attend all services and lend their aid in making the meeting an instrument for good in the community.

Lunatic Can't be Extradited.

The fight for Harry Thaw reminds Ed O. Leigh of a Kentucky counterpart, Thomas Buford, who posted himself in the Capital Hotel doorway, at Frankfort, and killed Appellate Judge Elliott for a fancied wrong in a decision, was sent to the Asylum at Lakeland. After being confined there for a few months, he made his escape and took refuge in Indiana. He could not be extradited and lived there during the few remaining years of his life.

Keeping Track of Trains.

At the railway station in a small town a solitary traveler was waiting for the day's only train. Train time came and went, but no train. He went over to the station master, an old darkey: "Say, when does today's train get here, anyway?"

"Oh, dat train won't be in fer some time yet."

In a few minutes, however, a train was seen crawling toward the station. "There comes the train now," exclaimed the traveler, exultantly, to the darkey. "Seems to me you don't know your business, if I'm not mistaken."

"Say, mister," replied the darkey, "I reckon you's a perfect stranger around here. Dat's yesterday's train, dat is. Today's train won't git in till tomorrow."

Compliments From The Press

THE WALTONS.

The current issue of the Richmond Climax contains the announcement that Ed C. Walton, its editor, having received a most flattering offer to take a partnership in a daily paper in Florida, has concluded to leave Kentucky, and the announcement carries with it the further news that his brother, W. P. Walton, will take his place on the Climax.

W. P. Walton does not have to run a newspaper in order to live. He has sufficient income to support himself and his charming family without the grind of the newspaper life. But he likes the game. He wants to keep his hand in. We believe that above and beyond that, his conclusion to go to Richmond in order that his brother may accept a more advantageous offer in Florida is born of the great affection between the brothers. W. P. Walton always acted like a father to Ed C. Walton. Not a day passed that he did not send a note or a reminder of some sort, and not a day passed that this note was not answered. It is rare to find such affection among full grown brothers who live apart.

The State can ill afford to lose Ed Walton, but it is a matter of congratulation that Will Walton has concluded to get back in the active newspaper business.—Ed O. Leigh in Bowling Green Messenger.

SORRY AND GLAD.

We hate to see Ed Walton leave Kentucky again. There is some compensation in the fact that dear old Col. W. P. will be back in the harness again, where he so rightfully belongs, and also that he will be considerably closer to Stanford.—Stanford Interior Journal.

BACK AGAIN.

E. C. Walton, who has edited the Climax for the past year, has disposed of his interest to Col. W. P. Walton, of Lexington. And so Col. Walton is back in harness again. We had hardly expected him to stay out long. Let us repeat that no better newspaper man nor more fluent writer or higher-toned gentleman ever edited a paper in Kentucky or any other State than he.—Bowling Green Times-Journal.

Socrates And Beauty.

All visitors to the museums in Rome become familiar with the busts of Socrates. Who does not recognize at first glance the almost comical face with its turn-up nose and utter absence of the slightest claim to good looks? We can not help smiling at it, and yet when we think of the man, the ugliness of his face becomes pathetic. He worshipped beauty, his life was devoted to teaching how life could be made harmonious in every way, and such a nose must, in spite of his philosophy, have been a constant trial to him. His prayer was: "Grant me to be beautiful in the inner man and all I have of outward things to be at peace with those within. May I count the wise man only rich; and may my store of gold be such as none but the good can bear."

He counted material wealth without wealth of spirit a mockery, and to have outward beauty without inward beauty was to be an impostor. All the same, to have one's inward beauty so denied by one's face must have been very annoying, and our smile at Socrates may well be mixed with a little sympathy.

Blessed Rains.

A very delightful rain fell last night and today, which if general will be worth many millions to the tillers of the soil. The Bible says that it rains as well on the just as the unjust, but it seems that the just of this section have been getting the best of it. The unjust of Fayette, Scott and other counties have failed to realize much moisture this season. However, as Brother George O. Barnes of precious memory used to sing:

It may not be my time,
It may not be thy time,
But yet in His own time
The Lord will provide.

"PITTSFORD" TILLMAN, as he was known in his palmy days because of his rough and tumble arguments in the Senate, came back this week with a speech against woman suffrage, which warmed the cockles of Mr. Watson's heart and caused him to explode again on the most "momentous question" of the day and to inveigh against the "crazy Jones." The Senator thinks that we had better endure the evils of corruption in politics and debauchery in our government rather than bring about a condition which will mar the beauty and dim the luster of the glorious womanhood to which have been accustomed all our lives. We can better afford, he adds, degraded and corrupt politics than degraded and bad women. Senator Tillman admits that the experiment of woman suffrage is going to be tried, "because of the cowardice of public men." While not exactly a woman suffrage advocate, we hope the result of the adoption of it will not be as bad as these prophets of evil suggest, and shall continue to try to believe that whatever is best.

The Rhea brothers, of Logan county, are mighty lucky dogs as well as most popular ones. Tom Rhea is State treasurer, Ab Rhea is sheriff and now Gov. McCreary has appointed John Rhea circuit judge. The all live under the same roof when at home in Russellville.

THERE has been a studied purpose among certain interests to bring on war between this country and Mexico for the purpose of getting money at the expense of human lives and government cost. President Wilson realizing this, is doing everything he can to prevent it and will continue to exhaust every means. With Wilson recalled and Gov. Lind as special envoy to the Republic it is hoped that matters will be satisfactorily adjusted. Senator Penrose, of Pennsylvania, wants to send soldiers there at once, however, as he claims to protect American lives and property and has accordingly asked for an appropriation of \$25,000,000 the purpose, but the apparent declaration of war will not be adopted, we hope and believe.

A GREAT deal more notoriety has been given the Duggs-Caminetti trials at San Francisco than they are entitled to. It is just a plain case of the depravity of men and the meanness of women, who are old enough to know better. The sin is not so much against them as against the wives of the two men, who ought to be sent to the penitentiary for life for their unfaithfulness. The nauseous testimony should not be sent broadcast over the country and the papers that printed it should be denied the mails.

THE Governor of Oklahoma would not attend the conference of Governors at Colorado Springs for fear the Lieutenant Governor would change his policies. This reminds us of the time when Henry T. Duncan was mayor of Lexington. He couldn't go outside the city for an hour but that the insurgent president of the board of aldermen would jump in and change things all around.

THE Danville Advocate tells in startling lines and scary heads of a sensational sight, which caused the stores to close, business to paralyze and men to fight for a better view. A handsomely dressed woman in split skirt struck the said old woman and until her departure, rubbing-necking was the order of the day.

MEN are prone to give advice but not to take even their own. Former Secretary of Agriculture Wilson, who broke the record for length of time as a cabinet officer, is an exception. He was all ways advising to go back to the farm and now takes his own advice.

With two governors contending for the right to govern and Harry Thaw escaping from a lunatic asylum just as easy, the great State of New York seems to be having troubles of its own.

If Editor Knott doesn't stop telling what he doesn't know about currency and banking matters, we are going to pay up our subscription and stop the paper.

Good Luck to Old, Welcome To New.

The Pantagraph has our thanks for the following:

Editor Ed Walton left the first of the week for Orlando, Fla., to take charge of a daily in which he owns an interest. He has made many friends during his brief stay in our city, and they wish him all sorts of good luck with his daily.

Col. W. P. Walton, the veteran newspaper man, is at the helm of the Climax. It seems something like old times to be in the neighborhood of old Walton, each with a newspaper, and we wish our distinguished and versatile friend the most cordial welcome and assure him that we are his neighbor in all that neighbor implies in the best sense.

Mr. Walton Goes to Florida.

The esteemed Richmond Register has the following:

Mr. E. C. Walton, who has been connected with the Climax since Oct. last, leaves this week for Orlando, Fla., to become one of the partners in a flourishing daily in that city. During the remainder of his leave his brother, Col. W. P. Walton, of Lexington, will have charge of the paper.

It is with deep regret that we see Mr. Walton leave the community, where he has made many warm friends during his short residence. He is a splendid gentleman and an excellent newspaper man. We wish him every success in his new field.

E. C. Walton Leaves Richmond.

The editor of the Madisonian is kind enough to say:

It is with sincere regret the many friends of Mr. E. C. Walton heard the announcement of his intended departure from Richmond in the last issue of the Climax.

Mr. Walton will go to Orlando, Fla., where he has been offered a partnership in a prominent daily. He formerly lived there and it is a high tribute to his ability that he should again be called to that State.

No man has come to our city in recent years who has made warmer friends than Mr. Walton, by his gentlemanly, courteous bearing and fine business methods.

The Madisonian wishes him God speed.

Col. W. P. Walton, of Lexington, will take charge of the editorial department of the Climax, while that of the mechanical work continues under the management of Mr. B. Duke Gordon, which fact insures the continued success of that paper.

Compliments From The Press

NOT WITH SOMMERS ENTERED.

Col. W. P. Walton has bought out E. C. Walton's interest in the Richmond Climax. With W. P.'s return to country journalism most of us will be willing to concede first place to him.—Elizabeth News.

HELIOTATES THE BROTHERS.

All Kentucky newspaper men have a friendly feeling for the Waltons and will wish them well in whatever place they happen to be located. Ed Walton made a good paper of the Climax and Col. Walton will make it as good as the best of its class, or, in Celtic parlance, "a dom sight better." In common with other friends, The State Journal felicitates the brothers and assures them of its hope that their respective moves will be satisfactory—individually and mutually.

GOES TO THE SEAT OF RHEUMATISM

Rheuma quickly expels the cause and restores the whole system.

If you suffer from any form of Rheumatism, remember that RHEUMA goes to work quickly to remove the cause, not simply to relieve the distress. Many years ago we demonstrated that it goes to the seat of the disease and expels the poisonous matter that has accumulated; does this through the natural channels—the kidneys, bowels, liver and skin. These are the sewers of the system and RHEUMA leaves them working naturally and allows the strength to come back in full force. RHEUMA is guaranteed by B. L. Middleton, who sells it for \$2 a bottle.

Death Comes To Her Relief.
Mrs. Mossy Gibson, a tubercular sufferer, who came here from Flat Lick for treatment, grew gradually worse until the end came Wednesday night. She was 26 years old and of good family. The body was prepared for burial and accompanied to Flat Lick by her brother, Mr. E. M. Gibson.

Mr. Cotton Suffers Broken Leg.
Mr. C. S. Cotton and family, while returning from the Lexington fair, met with a serious accident. They were on the top of the river hill when the pole of the carriage dropped to the ground and this let the vehicle rush down on the horses, which frightened them and they began kicking. One of the horses, which was only three years old, kicked Mr. Cotton on the leg and broke it just below the knee. He did not realize that he was hurt until he found the family all safe and he started to get out.

Judge Jerre Sullivan Out Again.
The many friends of Judge Jerre Sullivan, of Richmond, were glad to see him at the Camden barbecue. Judge Sullivan is just recovering from a long and severe illness which kept him confined in a hospital for many weeks. Although left in a weakened condition by reason of his long siege, he feels vastly improved and his recovery is expected to be rapid from now on. For a time his friends were very apprehensive of his condition.—Louisville Times.

Ready For Masonic Celebration.
Everything is in readiness for the big picnic Tuesday, the 26th. A large crowd is expected. The stores and banks will close at 11 a. m. and stay closed until 4 p. m. The parade will start from Masonic Temple. All Masons are requested to be at the Temple at 9:30 Tuesday morning so as to register and receive souvenirs and be ready to join parade, which will move out promptly on time. The dinner committee has requested that those bringing baskets of dinner will take them to the big tent on the Normal Campus as early in the morning as possible, as it will take considerable time to divide out the dinner in the trays and have it ready on time. Promptness in this matter will be very much appreciated. The work of arranging the trays will be in charge of competent ladies, but the passing of them will be by the daughters of the Masons in Richmond and Madison and adjoining counties. It is desired that each young lady who is a daughter of a Mason will report promptly at the dinner tent on the Normal campus at 12 o'clock. This is to be a day that all should set aside as a day of recreation. Come and see your friends; they will all be there. All owners of automobiles and carriages are invited to join in the parade, and are requested to be in front of the Court House at 10:15 a. m. promptly.

No trouble about getting your money if you turn out. Talk to Burnam, the insurance man. 14-1f

Church Notes
The union services Sunday evening will be held at the Presbyterian church. Dr. C. K. Marshall will preach. Let the christian people of this community attend and hear this honored veteran of the cross. Hour, 7:45.

Mayville Methodism is preparing for quite an elaborate centennial celebration to take place Sept. 14-15. Bishops representing both the Northern and the Southern branches of the Church will participate in the exercises.
The progress of the revival meeting at the Second Christian church has been somewhat retarded by the weather. Considering this, the meeting has been a success so far. Rev. J. P. Fennell, the evangelist, failed to arrive until Wednesday, so the pastor, G. C. Banks, conducted the services Monday and Tuesday. The people are very much interested. Rev. Fennell is a power for good. His solo and chorus work are a great drawing card. His sermons are wholesome, practical, direct and full of life, which touches the hearts. He has won the hearts of all whom he has met. In dedications point to the fact that the Second church will have the best meeting in its history.
On account of illness, Miss Nellie Pinnell will not be able to attend till tomorrow, when her sweet singing will contribute much to the success of the meeting.

Appointment Delayed.
The agony is to be prolonged. Announcement comes from Washington that the Collector of this district will not be appointed till the tariff bill is passed. It is a pity to permit a Republican Collector to draw all the good money he is getting away with.

Barn and Horses Burned.
The big stock barn of Allen S. Eden, one of the best known horse breeders in Boyle county, was struck by lightning and burned, causing a loss of about \$12,000. All but two of the forty horses in the stable were saved. Liberty King, valued at \$1,250, was burned. The barn was one of the largest in that section and was valued at \$8,000. The loss is partly covered by insurance.

Rain, Wind and Lightning.
A good rain fell Tuesday afternoon, accompanied by wind and lightning, which did considerable damage. A horse belonging to Talt Newby, who lives on Water street, was struck and killed. Mr. Hawkins' big barn, on the Muddy Creek pike, was also struck by lightning and burned, together with much feed. Mr. Charles Barlett also lost a barn and eleven cattle belonging to Mr. T. E. Baldwin were killed by lightning. Mr. Dunn lost a horse and a mule; H. Dunn a fine carriage horse and H. R. Leavell a horse. Besides these, several hogs, sheep and calves were killed in different parts of the county.

For Detaining a Woman.
Harry Campbell, a married man of 33, was tried before Judge J. D. Dykes this morning for detaining Mrs. W. B. Noe, a married lady living in the Paint Lick neighborhood, aged 24. The testimony was that while Mrs. Noe was out feeding some pigs, Campbell slipped up behind and grabbed her, stating his object. She screamed and fought him off and he went away, but was captured. The testimony was of a very salacious character and the Squire very properly excluded all from the court room not entitled to be present. The examination occupied several hours and resulted in Campbell being held in \$1,000 bail, which he did not give and was returned to jail. Mrs. Noe is the daughter of Mr. Wm. Hendren and a very estimable woman.

Conclusive Evidence.
Two colored men were arguing as to whether Simon Peter was a white man or a negro. Both were positive in their assertions. Finally one of them said: "I kin prove to you by de bible dat Simon Peter wasn't a nigger."
"All right. Let's hear yo' now."
"Wall, in de first place, dere's only one nigger mentioned in de bible, and dat's Niggardness. In de second place, de bible says dat rooster crowed twice, don't it?"
"Yes, it sho'ld do."
"Well, if Simon Peter 'd been a nigger, dat chicken 'd nebbar crowed twice, don't it?"

Passing of The Street Parade

For many reasons the management of Sun Bros.' World's Progress Shows has decided to abandon the street parade which has, in years past, been the usual thing with traveling organizations of this size and character. It is set forth in many instances the late arrival of the trains bearing the paraphernalia makes it impossible to give a parade and start the afternoon performance on time. Through these delays the public is compelled to experience a tedious wait, while the work of preparing for the performance goes on. Again it is considered an unnecessary hardship to compel men, women and horses to parade for one or two hours before beginning the afternoon performance, especially where it is considered that two shows every day are the rule with this exception. By doing away with the street pageant, men and women and horses are fresh for their performance and it would seem that the public is entitled to a perfect performance, which it pays for, rather than a free street parade which gives, at best, but a poor idea of the magnitude of the exhibition.
Another reason which has served to induce the decision is the fact that merchants in the cities visited object to parades because they interrupt business and interfere with general traffic. So strenuous is this objection that in many cities a permit to parade cannot be secured, and in other places the fee demanded is set as such an exorbitant rate that it practically prohibits street parades. In any event the management is satisfied that the public prefers afternoon performances given with snap and vigor, displaying the best efforts of the participants, rather than to have their entertainment interfered with through the fatigue of the participants after one or two hours of street parading in all sorts of weather. The many sensational free acts that are offered on the show grounds at the noon hour will be ample reward for the elimination of the hackneyed parade of other days.
The show will positively exhibit at Richmond afternoon and night, Wednesday, Aug. 27th, rain or shine.

FARLEY-JORDAN.

Ohio Man Wins Lovely Bride. Will Live in Rhode Island.

The wedding of Miss Carolyn Farley, of our city, and Mr. Walter LeRoy Jordan, of Greenville, Ohio, was solemnized Tuesday evening at eight o'clock at the First Presbyterian church. The church was beautifully decorated in green and white, which was a charming background for a rainbow wedding. Messrs. William Wallace, Joe Prewitt, Chas. Joseph Arnold, of this city, and Robert Land, of Nicholasville, acted as ushers and were the first to enter when the strains of Lohengrin were sounded. The bridesmaids were Misses Mary Stout, of Shelbyville, gowned in blue charmeuse, Lucy Willis, of Louisville, in yellow charmeuse, Tommie Cole Covington, in green crepe media, Elsie Buchanan, lavender charmeuse. Miss Elizabeth Farley, who was her sister's maid of honor, wore a beautiful pink charmeuse gown and carried pink bride's roses. Mr. Robert Malcolm, of Knoxville, was the groom's best man. The bride, who entered on the arm of her brother, Mr. John William Farley, was never lovelier than on her wedding evening. She was gowned in white charmeuse, trimmed in real lace and pearls and carried a shower bouquet of white roses and lilies of the valley. Mrs. George Pickles played the wedding music, accompanied by Miss Lissie Millon on the violin, and just before the ceremony Miss Annette Willis, of Lexington, sang "All For You." The wedding party was entertained at the home of the bride's aunt, Miss Carrie Farley, after the wedding. The decorations were in green and white and an elegant five-course supper was served. The sunny, happy disposition of the bride has won her many friends here and elsewhere, where she has taught, who are loath to give her up. Mr. and Mrs. Jordan left in a machine for Lexington, where they took the train for Greenville, Ohio, to visit Mr. Jordan's family, and from there they will go to Cleveland, Ohio, and Richmond, Ind., for short visits after which they will be at home in Pawtucket, R. I.

"Cheap" Tailoring
"Havana" Cigars

Did you ever notice the large box of cigars which sets on the case in the average cigar store—the one labelled "Havana Smokers" or some similar name? You asked the salesman if they were "real, sure enough Havana" cigars. They looked so inviting that they actually resembled to 10-cent straight variety. Be he, being and honest man, told you what?

Exactly This:
"Well, yes, in this respect. They are the 'cuttings' left over from the 10-cent goods. It is 'short-filler' of course and is a fair 'nickel' cigar. No, it doesn't compare with our long leaf Havana pure tobacco cigars at 10 cents."

Don't Buy "Short-Filler" Tailoring
It is "pure wool" in this respect: It contains the "short-cuttings"—the "shoddy" and left-overs which the better grade of tailors like Ed. V. Price & Co. of Chicago, refuse. You can't get long leaf Havana nor superior long wool fibre for "short-filler" prices. Tailoring of this class doesn't even represent "fairly good" clothes. Yet, certain over-anxious dealers offer you "\$25 and \$30 tailoring for \$15." The cigar dealer tells you that 5c won't buy a 10c value. See the difference? Come in and let us prove it—ANYTIME!!

Camden's Barbecue.
Some 250 Madison county people, headed by Judge W. R. Shackelford, attended Mr. Johnson N. Camden's barbecue on his magnificent estate in Woodford county, Wednesday, and report a most pleasant and profitable visit. The crowd was estimated at 25,000, taken thither by nearly every kind of means of transportation. The interurban ran every few minutes and it is said that over 1,000 automobiles helped to swell the crowd. Besides 3,500 gallons of burgoo, even better than Gus Joubert usually makes it, many fat beefs, scores of sheep and hogs helped to feed the happy crowd. Speeches by prominent men in the interest of better farming and co-operation were enjoyed and as Hon. Green Clay, of this city, said will prove of inestimable value to every farmer who attended and who adopts the methods suggested. Mr. Camden has done the farming interests great good, and he is entitled to the plaudits of every man who recognizes the importance of the basic wealth makers.

Collapsible baby carriages have about gone out of use in Christiania, Norway, owing to the agitation against them, started by a local physician, a specialist in children's diseases.

Mothers! Have Your Children Worms?

Are they feverish, restless, nervous, irritable, dizzy or constipated? Do they continually pick their nose or grind their teeth? Have they cramping pains, irregular and ravenous appetites? These are all signs of worms. Worms not only cause your child suffering, but stunt its mind and growth. Give

"Kickapoo Worm Killer" at once. It kills and removes the worms, improves your child's appetite, regulates stomach, liver and bowels. The symptoms disappear and your child is made happy and healthy, as nature intended. All druggists or by mail, 25c. Kickapoo Indian Medicine Company, Philadelphia, Pa., St. Louis, Mo.
